

PMINAC...BUILDING THE FUTURE OF PROJECT MANAGEMENT

PMINAC: Strategic Focus

Services: PMINAC provides holistic services of the highest quality to all project management professionals to support their learning, networking, certification and other professional development needs.

Member Engagement: Members of PMINAC are fully engaged with the Chapter because we offer them support, services and opportunities that meet their expectations for quality and value. This includes opportunities to volunteer in Chapter operations and management.

Sponsor Engagement: PMINAC has value based relationship with business partners and sponsors who prefer to support our Chapter year after year.

Community Engagement: PMINAC stays strongly connected to the project management community and the community-at-large through appropriate programming and services that support engagement.

Innovative and Transformative Chapter: PMINAC is regarded as a model in transformation and innovation by the PM community. PMINAC has Board and volunteer leaders who manage change and continuous improvement through creative thinking and sound execution.

Job board

As a service to our members and the project management community at large, our website features a job board. Individuals looking for contract or permanent positions and companies looking for staff can use this board to review and post open positions.

Membership & Professional Growth

“We are a responsive and collaborative centre of excellence, promoting knowledge, skills, quality, integrity and leadership for the past 35 years”

Make it yours

Benefits PMI Membership

- With more than 475,000 members in over 201 countries and territories, PMI is the leading membership association for the project management profession, setting professional standards, conducting research and providing access to a wealth of information and resources. PMI also promotes career and professional development and offers certification, networking and community involvement opportunities. For more than 40 years, PMI has advanced the careers of practitioners who make project management indispensable for business results. For more information on the benefits of joining PMI, & visit the PMINAC website.
