

Engagement

PMINAC provides holistic services of the highest quality to **Project Management Professionals** in support of their learning, networking, certification and professional development needs.

We offer **Members** support services and volunteer opportunities to aid in professional development.

We offer **Students and Learners** multiple avenues to learn about project management through PMP® and CAPM® Certification study groups, a mentorship program and access to PMI and PMINAC project management knowledgebases. Matriculated students enjoy discounted membership rates.

PMINAC stays strongly connected to our project management community and the **Community-at-large** through our programming and service offerings.

We encourage mutually-beneficial, value-based partnerships with businesses and **Sponsors**.

We are a responsive and collaborative centre of excellence promoting knowledge, skills, quality, integrity and leadership in Alberta and the NWT for more than 40 years.

What is PMI?

Founded in 1969, with more than 500,000 members in over 200 countries and territories, with over 300 chapters, the Project Management Institute (PMI) is the leading not-for-profit membership association for the project management profession.

PMI sets professional standards, conducts research, promotes career and professional development, offers certifications, and networking & community involvement opportunities. For more than 50 years, PMI has advanced the careers of practitioners, who make project management indispensable for business results. Your PMI membership also gives you access to a wealth of information and resources at www.projectmanagement.com.

For more information on the benefits of joining PMI visit www.pmi.org.
